I. INDOCTRINATION

1. Today, Thursday, 17 September 1953, a total of 53 individuals attended the weekly Indoctrination Program.
2. Because of schedule difficulties the Air Force personnel will double up on their attendance next week. No representatives from the Directorate of Intelligence attended today.

3. Major Andrews of the Strategic Intelligence School called to ask whether his direct contact with DD/P violates his normal procedure of coming through this office for assistance. I told him that there was no conflict and that since he had acted this way in the past and had run into no problems, there was no reason why he should not continue to do so on this occasion.
